Exclusive cover and advice for
your personal insurance needs

Because successful people with busy lives need expert advice...

At Finch Private Clients, we take the time to get to know you and understand your lifestyle, so we can design insurance solutions to protect your most valuable and treasured possessions.

We are friendly and approachable, and are happy to visit you in person at a time and place to suit you, to talk through your personal insurance requirements.

We specialise in helping you to protect:

Your Home

Your home is likely to be your most valuable asset. Our carefully crafted, flexible insurance solutions are designed to protect all properties, including:

- Listed buildings
- Empty buildings undergoing redevelopment
- Holiday and second homes in the UK or abroad
- Buy to let portfolios

Your Fine Art and Antique collections

Whether you own art and antiques as investments or for pleasure, or both, we will take the time to understand and assess your requirements, and work with leading fine art insurers to design the best insurance programme for your individual circumstances.

The protection we provide:

- Automatically covers the increase in value of your art in the event of the death of the artist
- Covers loss or damage whilst in transit
- Covers depreciation in the event of damage
- Covers disputes over the ownership of your art

Your Jewellery and Watches

Jewellery and watches are often our most precious and treasured possessions, frequently being gifts from loved ones or items that have been passed down the generations.

We will take the time to understand your lifestyle and wearing habits as these will influence the most fitting insurance solutions for you. Our policies will:

- Protect your items anywhere in the world
- Give you the freedom to replace or repair your valuables
- Prevent you from overpaying for the jewellery or watches you rarely wear

Your Vehicles

Whether you own a luxury or high performance car, or a have a family fleet, we can provide personalised and specialist insurance cover.

If you own two or more vehicles, we can arrange cost effective cover on a Family Fleet basis, which will mean just one renewal date, and save you time and effort.

Help if you need to claim

We appreciate that making a claim can be stressful, and our team will support and advise you throughout the process, visiting you in person to provide reassurance and practical help if you would like us to. We will negotiate the best settlement we can for you, and ensure as little disruption as possible.
