Designed with you in mind

Protecting clients in the Restaurant and Hospitality sector

Finch are the trusted advisor to many of the UK's leading destination restaurants, pub and restaurant chains and multinational brands.

We have spent years developing our understanding of the Hospitality sector by listening to the needs and concerns of our clients and working with key industry bodies.

Our expertise has enabled us to develop exclusive insurance solutions to protect your business against the main risks faced by this continually evolving sector - at competitive prices.

Our team of specialists can help you understand how your business may be affected by the following:

- Terrorism and lone wolf attacks
- A loss or reduction of profits following a major incident at or near to your premises
- A loss of business following disruption to utilities
- Injuries to your staff or customers
- Protecting your brand following a PR crisis
- Cyber risks

Employee Benefits designed for you and your employees

We also provide affordable and sustainable employee benefits arrangements to help you attract, retain and reward the high calibre employees who are so vital to the success of your business.
